

## CEIA Virtual Career Fair Information

### Benefits

- Opens national Co-op/internship opportunities up to students attending CEIA member schools
- Provides CEIA with employer membership base
- Benefits all CEIA member institutions

### How It Works

- Each participating institution provides a set number of employer contacts
  - ▶ Under 10,000 enrollment – 50 employers
  - ▶ Over 10,000 enrollment – 100 employers
- ▶ All Schools wishing to participate need to submit employer name, contact name, and email address to [gayleo@careereco.com](mailto:gayleo@careereco.com) so their students can participate in all fairs. The employers will only be targeted to participate in the fair in their own region.
- ▶ CareerEco develops all marketing materials for employers and reaches out to them. Every employer that registers gets a CEIA membership.
- ▶ CareerEco develops all marketing materials for students and the individual schools reach out to them
- ▶ Students attending any CEIA participating school can attend all of the virtual fairs
