

June 21-23, 2017
Manor Vail Lodge
Vail, CO

Agenda

June 21, Wednesday

5:30 – 7:00 p.m. Registration/Mixer
Dinner Buffet, Vail Manor Lodge

June 22, Thursday

7:30 a.m. Breakfast

8:30 ***Welcome/Housekeeping Items/Introductions***
Kelly Harper, CEIA Past President and VP - Professional Development,
Director of Cooperative Education, Cincinnati State College

9:00 ***“Work Integrated Learning Program Basics”***
Presenter: Zach Osborne, Director of Internships and Study Abroad,
Menlo College

This session will focus on basic components of a good work-integrated learning program. The presentation will cover the elements of program structure and its relationship to the overall organization. The role of the practitioner will be explored in terms of student and employer development. Information will be shared about how to market services, connect with faculty, staff and students in fun, exciting and innovative ways. Information will be shared about generating innovative ideas, planning career events, developing marketing and outreach strategies and materials that will most effectively promote your programs to clients. Participants will take away tools and strategies for both starting and enhancing their programs.

10:15 am Break

10:30 am ***“Work Integrated Learning Program Basics”*** (continued)
Open discussion on morning session

11:45 Lunch, Vail Manor Lodge

1:00 p.m. ***“Building Institutional/Faculty Support – Think Win-Win”***
Presenter: Scott Maynard, CEIA President and
Director, Career Center and Cooperative Education Program, Mississippi State
University

You can see the impact your job has on the lives of students each day. One of the biggest challenges is getting others at your Institution to buy into your vision. This session will explore how you can improve the visibility and value of co-op/internship programs through the development of strategic partnerships and distribution of needed outcome based data. You will explore a step-by-step process designed to provide you with the tools and confidence to implement successful engagements across departments.

2:30 Break

2:45 ***“Building Institutional/Faculty Support – Think Win-Win” (continued)***
