Thank You, Honor Roll Donors

In 2011, CEIA created an initiative to establish a fund to assist with travel expenses for student award winners to attend the conference so they could be recognized for their accomplishments. The initial appeal was made to our honorary lifetime members and the CEIA Board of Directors, with seven donors helping establish the fund.

In 2014, the following individuals made contributions to keep this fund a viable resource for student award winners needing support.
