Message from President – Connie Dietz

Thanks to all of you who attended our 2013 Annual Conference in Orlando last month. We know that budgets are tight so really appreciate you making the time and financial commitment. Of course, Orlando was a fantastic host city and the perfect place to celebrate our 50th anniversary.

Congratulations to all who were involved in the planning, organizing, and conducting of the annual conference. We have heard very favorable comments about the conference. Your hard work was evident throughout the event. Kudos to Helen Oloroso, our conference chair, and her committee who

made it happen. As you're aware, we're an organization of volunteers who devote their time and talents to making CEIA the leader in cooperative education and internships.

Special recognition and thanks to everyone who facilitated a pre-conference session, shared during the speed sessions, or presented a workshop. We appreciate you taking the time to share your knowledge and expertise. We were informed, enlightened and entertained. Thanks to all the sponsors who partnered with us in making this a great conference.

Now for "coming attractions" for CEIA, the annual NAWIL Training takes place in June in Cincinnati. Please check our website for dates, times, and information on the program. This fall, be on the lookout for some additional webinars. These have been very popular and usually fill-up quickly. And next April, 2014, you can't miss our annual conference in the beautiful city of Seattle! Plan now to attend and to bring your families and come a few days early or stay over to enjoy all that Seattle and the Northwest have to offer. Andre Newton is already hard at work with plans. If you'd like to volunteer to help, please contact Andre or our association manager, Peggy.

We hope everyone has a safe and enjoyable summer! We look forward to seeing you in Cincinnati and Seattle!
