2021 CEIA Membership Renewal is Underway!

As we navigate through this challenging year together, please know that CEIA is working hard to continue its outstanding programs and services offered in a variety of modalities. We are focused on bringing you great value for your CEIA membership. Here are 4 ways that we will KEEP YOU IN THE KNOW: Virtual Offerings, Colleague Connections, Informative Resources, Leadership Development. Our hope is that your CEIA membership will prove to be greatly beneficial during this COVID year and beyond.

CEIA has many ways for you to add to/or renew your membership. We offer options for an Individual Membership and four tiers of Organizational Memberships. You will pay from one Invoice, with one flat rate, for whichever tier is selected. Our membership year runs from January 1st to December 31st each year. 2021 CEIA Individual Membership Invoices went out in October and all Organizational Membership tier Invoices were sent on November 2nd. If you have ten or more members, please contact the CEIA office for a custom. group

- Organizational 4-6: \$825

Remember, CEIA memberships remain with the Institution. You will be able to archive a member that no longer works at your organization and replace them with a new member. Please be sure to take a look in your profile online to be sure you are bundled in the correct tier for 2021. Save your login and password, as it will be needed to manage your CEIA account(i.e. renew, add/delete members, update profile, etc.)

NOTE: Your administrative support personnel will need your credentials if they are to manage your account. CEIA does not store passwords for security reasons.

Please know that Your Association needs you! For many years, CEIA has had a strong community of over 700 members. Please help to encourage others to join CEIA, so that we can continue to have an outstanding professional development association.
