

News Brief - October 2022

From Ross Johnston: CEIA Board Change

Tiffany Johnson, Vice President, Region 5 Southwest, is to step down from her board position. On behalf of the CEIA Board and our membership, I would like to thank Tiffany for her contribution to the board and to the ongoing development of Region 5 and the support she provided to our Region 5 membership.

However, I am excited to announce that Celeste Lindell, Assistant Director of Employer Development, Texas Christian University, will be CEIA's new Vice President, Region 5 Southwest, with immediate effect. Celeste has been a member of CEIA for over 5 years. She is also an Adjunct Professor and brings a wealth of experience in supporting over 115 majors at TCU and connecting interns and graduates to employment. In addition, Celeste brings valuable board experience, currently being on the board of TxCEIA as well as having served on the board of HR Southwest Conference as the College Relations Director and Student Engagement committee member. Please join me in welcoming Celeste to the CEIA Board and I know she is excited to work with her Region 5 member colleagues and continue the great work that Tiffany has already done.
